

COVID 19 PROTOCOLS

Strict following of hygiene and cleaning guidelines as set out by Government:

- All our staff have been trained in the hygiene protocols as set out by Government
- We use a ULV Fogger at the start and end of every shift to ensure all areas are hygienic and clean, this accounts for the main building and all units
- Daily cleaning rosters for all departments to be filled out with the use of Sterifog and all necessary PPE Equipment
- No entry of a unit once cleaned
- Daily screening of staff
- Screening of delivery personnel
- All deliveries only accepted at one point
- Screening of all guests upon check in
- Sanitizing stations at all entrances
- Covid 19 signage as per Government prescribed
- Use of masks at all times
- All laundry are washed in 70 degrees hot water
- All kitchen cutlery washed in dishwasher 80degrees
- Social distancing
- Limited activities

We have ample wide open spaces to enjoy some fresh air
