Frequently Asked Questions

How many people can we have at our wedding?

100pax can be accommodated in the restaurant, surcharge for over 100pax for hiring items.

May we bring our own booze?

You may bring in either wine or bubbly - at a corkage cost of R80 per bottle, all other alcohol and beverages must be bought from our restaurant. You are welcome to speak to us if you have a special wine or bubbly that you would like us to order in for you.

May we bring in our own wedding cake?

Yes indeed, but please discuss this with us in detail, as arrangements may need to be made for storage and presentation.

Can we bring in an outside caterer?

Unfortunately not - all catering is done by our in-house restaurant.

We want to bring in a DJ or a band

That's great - but please know that all music must be contained inside the barn, the volume must be reduced by midnight and all loud or live music must be switched off at 2am. Please make sure that your musician or DJ sets up well before the event to do a sound check to ensure that everything is working properly.

We will have children at our wedding. Can you organise us some childcare?

Yes, we have a speed dial of babysitters who can sit in the trailers and look after sleeping children or take care of them in the playroom. Please ensure that this service is booked well in advance.

The babysitter must be paid in cash after each sitting.

Babysitter cost is as follows:

Children between the ages of 0-2 years old: One child per babysitter

Children between the ages of 2-10 years old: Two children per babysitter

R90 per hour from 8am until 10pm

R120 per hour from 10pm

Minimum 4 hours

I see your trailers can sleep two adults and two children - can adults not double bunk up and sleep in the kids' beds?

We do offer the children's beds to single adults at extra cost, however note that sleeper couches are significantly smaller than an adult bed.

Can you help us find a minister or spiritual facilitator to marry us?

Sure - we can put you in touch with a number of people. The rest is personal choice.

Do you know of someone in the area that can do make-up and/or hair?

Yes, again - we can recommend these service providers to you however it is not part of our package as it is a personal choice.

Can you recommend a decorator and/or florist?

We recommend that all our clients use 'Four Every Event'; an experienced event décor specialist based here in Elgin wedding-land. They do floristry, tableware, seating, cutlery and crockery, AV, lighting, etc....ask us for their details.

Can you recommend a wedding photographer?

Sure - we have plenty of excellent examples from previous weddings.

Do you have Halaal or Kosher menu options?

We can provide menus without pork but we are not Kosher or Halaal.

Do you provide a dance floor?

Yes, we do!

Are there any timing constraints?

Yes, last drinks are 12:30am. Venue and bar can be kept open until 2am, and is subject to an additional fee.

May we use candles on the table display?

Yes but they must be in containers. Especially if they are around the pool area and on wooden tables.

Are there any other venue hire costs other than the ones stipulated in the package?

No - but decorations, music, AV equipment, lighting and décor are all for your own account.

Can you rig a tent for us?

We can't, but we can recommend great service providers. It's important that the tent company is qualified and professional to avoid accidents and injuries.
